Christmas

Christmas is always a busy time and being a part of a school adds extra special things for our children. Please do read newsletters, read emails, check diary dates and Facebook to ensure you don't miss anything.

A little plea!

If you have any spare young person's cutlery, spoons and forks in particular, and are happy to donate to school, please can you hand them into the office.

Nursery spotlight

This week at Nursery we have been promoting our fine motor skills clipping pegs onto paper plates. The children then challenged themselves to count how many pegs they had put on. The highest number was 45!

The children have also enjoyed large scale painting throughout this week- painting large boxes with different sized paintbrushes.

School Walkaround

We have been very busy this week which started off with a very colourful school wearing odd socks, as we highlighted Anti-Bullying week. We used assembly times to discuss the message and the link to our values of respect and kindness.

Have a wonderful weekend.
