

Dear Parents/Carers

The last newsletter of the year and how it has flown! I should like to take this opportunity to thank you for your support and advice over the year. Your children are wonderful and though we are all very tired, it has been an eventful and exciting year. I am very much looking forward to next year – apart from anything else it will be nicer, knowing all the children and consolidating all of the things that I have experienced and learned this year.

However, we have not finished yet and as is always the case at this end of the year, we seem to be busy until the very last minute! The week began with French day when governors, PTA members and the twinning committee were invited to join our French café where they were ably served by Green Class pupils. C'est très bien! A small group from Green Class also attended the presentation afternoon at Home Farm with myself and Ingrid White (Chair of Governors) to present our work to all the other schools that had taken part in the Kingfisher Trust field studies visit earlier this term. The presentation was wonderful and this coupled with a picnic and entertainment, proved to be a very enjoyable afternoon.

Meanwhile, another group of children went to Millfield School to take part in the Area Athletics. Well done to all the children who took part and in particular congratulations to Hannah, Skye, Lucy, Emma and Megan for their achievements.

The KS2 children have also been visited this week by Beth Unthank, the Community Support Police Officer, to talk to them about keeping themselves and their belongings safe. There was also a visit from Lucy Workman, who is part of the Traveller Service, to lead them in drama workshops.

The School is very quiet today as Yellow Class visit Glastonbury and Blue Class visit Bristol Museum in order to conclude their studies this term.

I look forward to seeing you tonight at the 'End of the Year Barbecue' and, of course, to the End of Year Service on Wednesday 23 July at 2.00pm at St Andrew's.

Best wishes

Amanda Tutt
