

Dear Parents

Yellow Class - spring 2008

I hope you have all had a wonderful Christmas and that 2008 will be a good year for us all!

For the next few weeks we are writing poetry based on the weather and winter. We are going to make books to write the poems in, which I hope will be works of art!

Our RE topic is "Special Books", which is a useful link. I will be asked the children later if they have any special books that they can bring in to share and talk about.

In English we are talking about using conjunctions and connectives in our writing. We are also using commas as we learn more about punctuation.

In maths we have been finding the difference between numbers.

Best wishes

Fran Harris
