

Dear Parents/Carers

It has been great fun attending the 'Life Bus' this week. Each year group has visited the bus following an aspect of their PHSE (Personal, Social, Health Education). The feedback so far from the children has been very positive and hopefully we will be able to consolidate this year on year.

We would like to welcome Caroline McKee and Dr Colin Lee who are spending the day with us. Thank you to everyone who has replied to the questionnaires. The visit by Ofsted (despite being rather nerve racking!) is a valuable process in that it confirms to us the way forward for the children's learning and well-being.

The School Council and the Eco Committee have had their first meetings of this School year – new members have been elected on to the Eco Committee from KS2 and the School Council has representatives from Orange to Blue Class. The new chair is Sam H and the Secretary is Alice W. Emma F has been elected as Lunchtime Liaison Link. As in previous years, there are boards in the entrance area for both the Council and the Committee, with latest minutes displayed. All children have the opportunity to raise any important issues with their class representatives. These views are taken into account. The Eco Committee leaders are Lily and Callum from Blue Class.

Thank you to the PTA for installing the new noticeboard on the gate. The newsletter will be displayed there every week if you forget your copy on Fridays. Please keep a look out for any daily messages, which are also shown on the whiteboard by the entrance. You can always access the latest newsletter on the School website from Friday nights.

Best wishes

Amanda Tutt
