

7 October 2008

Dear Parents/Carers

The School has now received the official Ofsted report and it is available to you on our website link. Ofsted have also written a letter to the children and that has been sent home today.

As Headteacher, it is one of my roles to evaluate the School and highlight areas that are good and areas that need developing. Part of Ofsted's role is to confirm/endorse my evaluation which this report has done.

The action to 'challenge the more able' is an area that as a staff, we are fully committed to – and Ofsted arriving at the beginning of the academic year is well-timed. Through half-termly Pupil Progress Meetings which track the individual learning of each pupil, we are now able to identify children who are reaching and exceeding expected targets, and those that need further support, thus adapting our teaching to their needs. We will be informing you of your child's progress at the first parents' evenings in early November.

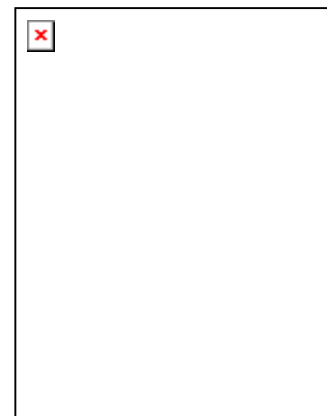

Ofsted also recognised that the Foundation Provision is good as is the Personal, Social and Health aspects of our School.

Whilst we know that the area of 'challenge' is one to further develop, I am confident that with the newly established tracking systems in place, bright and cheery classrooms, staff committed to ensuring the children make good progress, supportive parents and most importantly happy, well balanced and 'engaged' children, it is most definitely, onwards and upwards.

Thank you all for your positive and helpful comments to Ofsted. If you have any queries, please do not hesitate to contact me.

Best wishes

Amanda Tutt  
Headteacher

Mrs Amanda Tutt  
Headteacher
