

Dear Parents/Carers

Thank you to all those who have responded to the questionnaire. It has helped to identify areas for consideration, which we will be discussing at our next staff meetings. I shall be writing after half term to let you know how we plan to move forward bearing your comments very much in mind.

Orange and Yellow Class, with help from Blue Class, have been working with Jan and Catherine Niedojadlo, building an 'underwater' structure out of..... well anything and everything! As part of arts funding through the CLP, we have had the opportunity to create an outside sculpture which reflects their 'sea' topic. If you 'google' Jan Niedojadlo you can see the type of work that he produces – please do come and look at our very own pod created by the children working alongside him!

As we head towards half term, I am looking at the second half of the Summer term. Miss Jones is arranging the Science week taking place from Monday 21 June. We will be sending out details once the timetable has been confirmed. We hope that you will be able to come and join the children at some point during the week so that they can share what they've been doing and what children from other year groups have been doing.

Children in Years 4, 5 and 6 will begin rehearsals in earnest for the End of Year production and we will be running our sports mornings and parents' evenings. Please see the date list at the end of the newsletter if you are unsure when these will be happening.

On the sporting front we have had some very successful teams going to Huish to the girl's cricket and to Stoke St Gregory for the netball and football tournaments. As you will know if you came to assembly this morning, our netball team are filling the trophy cabinet again with the Stoke St Gregory Winners' Shield! Congratulations also to Emma for being the player of the match! A very big thank you to Mrs Haines and Mrs Wilce. The netball team's success is largely due to their commitment, encouragement and training skills! We are extremely grateful to them for their time and energy.

I hope that you all have a peaceful and relaxing week and I look forward to seeing you all in School on Monday 7 June (My dad's birthday!)

Best wishes,

Amanda Russell

## **CLASS CUPS**

**Red Class:** Harvey for wonderful independent writing and sounding out. Harvey has written his own book!

**Orange Class:** Ebony for working particularly hard on her phonics and making good progress

**Yellow:** Tommy for trying so hard with his writing – he wrote a fantastic presentation and was very proud of himself

**Green:** Daniella for continued and consistent effort in everything and a perfectly tidy drawer!

**Blue:** Izzy for writing the most stunning, mature and descriptive sentences and for writing them in beautiful handwriting

**Indigo:** Hannah for her mature attitude towards her work and also when representing the School

**Lunchtime Good Behaviour Awards:** Congratulations to Ben CL, Corey and Alex from Mrs Moore for their good behaviour.
