Message from Mrs Rickards-Tilley

For the Netball team that played last night:

Dakota, Nyassa, Jas, Emma, Poppy, Chloe, Truly and Gorgia.

Sorry I can't be at Assembly, but I wanted to say how proud I am of you all. You all worked so hard, showed great determination and sportsmanship. You gave 100%. I know some of you were quite nervous at times but you overcame your fears and achieved so much. Well done! Ps. and scored 26 goals!

He came so that we may have life and have it to the full

Dear Parents,

This half term has started with two great trips and lots of exciting things planned for the summer. The class teachers will be sending out information about the curriculum and homework for the next half term. The project-type homework in Gala, Camelot and Blenheim is a chance for parents to share the learning with their child and we look forward to displaying the work the children bring in. This next half term is important for consolidating all the skills and concepts learnt this year as well as the new areas of learning. Although the children will be having great summer fun with different events and the Phase 2 Show, it is 'full steam ahead' for their learning. It is clear that a child who feels success and pride in their learning grows in their confidence and contentment.

The Phase One children are now having their morning and afternoon break times in the front playground. They are enjoying playing with the trikes, bikes, skipping ropes and play equipment. Thank you to the parent who has donated small play things for their lunchtimes - we will be putting out books, crayons, etc for them to enjoy.

We have started the Behaviour Code now - lots of children have been given a 'green smiley face' for good choices and 'lunchtime stars' for kind or helpful play. The key message is 'treat others as you would like to be treated' based on 'love thy neighbour as thyself' and the children are being very positive about it.

We are starting to gear up for Curry Rivel Primary Live. If your child is in Camelot or Gala, please encourage them to plan a game or activity that they can run on the day. It could be that they work with a friend or that you help them in the designing of it. It's a great way for the children to get involved.

Finally, huge congratulations to our netball and football competitors in yesterday's tournament with the six local primary schools. Our teams played brilliantly with the netballers winning the cup and the footballers coming a very creditable second place.

Mrs Frances Burns

Acting Head Teacher

Learning Support Assistant

Required from September 2018

**Initially a full time, fixed term contract
with the possibility of a permanent contract**

Email: office@curryrivel.somerset.sch.uk

We are looking for an enthusiastic and caring Learning Support Assistant to work across all year groups although initially in our Reception class. The post will require an ability to support learning in class, small groups or on a 1:1 basis during lesson time as directed by the teacher.

The successful candidate should have excellent communication and organisation skills and be able to work as part of a busy and energetic school. We are a learning school who are always striving to improve and welcome those who feel the same.

If you are interested please pop in the School Office for an application form and more details of the post.
