Mrs Jo Ward has been the school SENDCo at the school for seven years and will sadly be leaving us at the end of January. She would like to take this opportunity to send her thanks and best wishes to you all and the children for the support you have given her since she joined Curry Rivel in September 2016. She hopes the future brings you many successes and good fortune. We wish Jo all the best for the future.

## Free EscapeLine Parent Session: Monday 6th February 3.30-4.30 (Tea and coffee provided)

This session is hosted by Escapeline, a charity committed to preventing child exploitation by criminal gangs across South West England. The term "county lines" is used to describe a form of exploitation where criminals befriend children, either online or offline and manipulate them into becoming involved in drug dealing. Young people between 13-16 are most likely to be targeted, but there are reports of as young as 6 year olds being groomed into county lines activity. The illegal drug business has been estimated to make an annual profit of more than £800,000,000 with over 50,000 young people being exploited by County Lines in England alone. Gangs target any young person, of any background, race, gender, or age. It is not just the vulnerable and disadvantaged young people or those from poorer backgrounds, with a history of abuse that get targeted. This event intends to focus on the balance between factual information by experts in the field, alongside real-life stories and experiences of those that have been exposed to child exploitation into county lines.

NOT suitable for children- If needed, please book your school-aged child a place with our workshop 'creche'- places limited- please book via the school office.

#### **On-Line Safety**

The name 'Huggy Wuggy' may sound cuddly and endearing, but experts warn that children are being left frightened by the viral video game character's appearance in social media content.

The fanged monster features in the horror-themed 'Poppy Playtime', a computer game set in an abandoned toy factory. Huggy Wuggy, a blue teddy bear who sings songs about hugging and killing people, is appearing across TikTok, Roblox and Minecraft. Children in school, as young as Year 2, are mentioning this character, and this is upsetting others. We encourage you to have an open discussion with your child/ren about this character, how they know about it and the impact it has on others.

#### Lates

We are aiming to reduce the number of pupils who arrive late.

|-----------|---------------------------|---------------------------|
| Pippin    | 5                         | 6                         |

| TOTAL     | 27                        | 27                        |

Please remember that being late can lead to your child:

- Feeling embarrassed in front of their friends
- Missing the beginning of vital lessons making them fall behind
- Missing important instructions for the rest of the school day
- Learning bad habits which could affect their employability in the future

The impact of being just a little late can accumulate to a loss of learning time.
