Dear Parents,

Thank you very much for returning the questionnaires. I will take on board many of the useful comments made and will let you know in due course the changes we are making. One thing that we have already agreed is that the younger children will be playing on the front playground in the morning and afternoon playtimes.

We would also like your help as we hope to make two quiet zones in the back playground. We picture one zone with young role play equipment such as a kitchen, small table, dressing up clothes, and one zone with waterproof beanbags, books, colouring resources for a 'comfy' place to be. If anyone has any of these things that they could offer, we would be delighted. Please leave a message at the office of what you can offer.

Mrs Frances Burns

The children and staff have been working on a new Behaviour Code and we have come up with the following agreement. It helps the children make 'good choices' and to feel the positive impact and to recognise others that are similarly making the school a happier place. It also helps a child feel that they are being treated fairly if they know in advance what the 'consequence' will be if they choose one of the yellow or red behaviours. We may have to amend things but we will be starting this properly after half term with the new recognition of good choices.
