He came so that we may have life and have it to the full

John 10:10

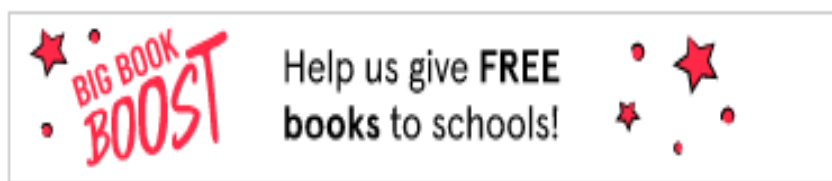

Dear Parents and Carers,

The children should be really proud of their behaviour and friendliness this week. We had a welcoming and knowledgeable group of Year 6 help with the Open Morning on Tuesday and the visitors really appreciated their input. On Thursday and Friday, we held the interviews for the next headteacher and the children have been polite and focussed during all the activities in which they were involved. It makes us all very proud to be part of this school community when we see the children 'living' the ethos that we try to create.

❖ **Treat others as you would like to be treated'**

❖ **'Take every opportunity and live life to the full'**

The children are now spending some time preparing for the various Christmas events at the end of this term. The Year 5 and 6 will be singing two quite challenging songs at the CLP Carol Concert but they are already sounding great. We hope that they will do an encore at our Christmas Service in the church.

Many thanks to those of you who have returned the spoons that had accidentally made their way to your homes. Could I also ask that recorders and the recorder books that have been taken home are also brought back to school? It will mean that if we have an extra practice, the children have got everything they need.

We recently had a health and safety audit done by a county auditor and we are delighted with receiving a great score. Many thanks to Mr Silver for all the work that he does in the background to make sure that everything is checked and kept up to date. To quote the auditor: 'Everyone in the school deserves much credit for all the hard work put in place following the last audit. Mrs Burns, Mr Silver and Mrs Ward have implemented many procedures and a robust policy... delivering effective health and safety management systems.'

The governors have been giving a great deal of time and thought to the headteacher appointment and, on behalf of the school, I would like to express our thanks for their dedication to their role. They are involved in many different ways; next week, for example, a group are coming in to see English lessons and to look at the children's work.

Finally, can I recommend 'The Book People' to you if you are planning on buying books or stationery for Christmas presents. There are many different packs of brilliant books and the catalogues show suggested ages, etc. The other benefit is that if you click on 'Big Book Boost', any purchase will benefit the school!
