Dear Parents and Carers

A huge thank you to everyone who put so much work in to make this afternoon such a success. The Phase 2 children created some wonderful stalls and we look forward to hearing how much their 'mini businesses' made in profit. Maigold Class entertained us with their country dancing and we look forward to seeing them again at the Church Fete. Thank you to the members of the PTA who had their wonderful stall of goodies. We are particularly grateful to Mrs Powell and Mr Champion for organising the performances by our talented children and sorting out the technical side. It was a lovely afternoon of our school community enjoying themselves together.

The display of recycled models by Gala class and a few others will be shown to all the children on Monday and we will keep them in school for everyone to enjoy over the next couple of weeks. We appreciate the efforts that the families have put into these creative creatures and will put photos onto our website next week.

Our Year 1 children did their phonics tests recently and we are very proud of our success of 83% passing the 32 mark with 4 children getting the full marks of 40. This is down to the excellent teaching by Mrs Conway, Mrs Shaw, Mrs Batchelor and Mrs Sleightholme, and your help at home with reading. Just to give you some idea of what the phonics test included, have a go at saying some of these words: quop, pobe, braint, splote! The children have practised examples of 'nonsense' words in the lead up to the check as they have to use the phonics rules to be able to read them and have only one chance at pronouncing them correctly.

Our results for Year 2 are also looking good with reading at 83%, writing at 86% and maths at 87%, all looking to be above the national average (around 70% in 2018). We also have more children who are reaching 'greater depth' which means that they are stronger than the 'expected' ability with 22% in reading, 22% in writing and 29% in maths. This puts all of these children in a strong position as they move into Year 3 and shows their hard work and concentration in this past year. Well done to them all!

We are delighted to announce that we have appointed a new teacher, Miss Yarde, who will be joining the school in September. We were very impressed with the lesson that she delivered and her enthusiasm and knowledge shone through in the interview and presentations. Full details of your child's class for September will be given at the start of next week in preparation for the transition morning on Wednesday.

Finally, if your child would like to wear red, white or blue or an England strip on Tuesday to celebrate the amazing playing of the England Women's Football Team, it would be fun.
