A very warm welcome back and a Happy New Year to you. Thank you for all of your support in the run up to Christmas; we have heard such wonderful feedback about our Christmas Service, nativity and other festive events. Thank you too for the many cards, gifts and best wishes that were shared with the team here at the school.

Curriculum Learning

It is important to us that you are fully informed about the school's curriculum and all that goes on in the classroom- your enthusiasm, interest and encouragement in your child's learning makes such a difference to your child. Today, your child/ren will be coming home with paper copies of Spring Class Newsletters and Knowledge Organisers - these will help you have those daily conversations about the learning happening in class. You can also use the Knowledge Organisers for mini-quizzes once you have read them together with your child- you may find the children quizzing you too! This information is also on our website (Under Children/Classes)

Smart Watches

Some of our pupils have been fortunate enough to have received 'smart watches' at Christmas- like mobile phones, children are not permitted to use them in school due to risks of loss and damage and of misuse. For those older pupils who, in exceptional circumstances, may need a mobile device at the beginning/end of the day, parents need to complete a 'Mobile Phone' form (Please contact the school office)- devices are stored by the school office throughout the school day.

Worship Leaders

It is so important that children have the opportunity to be leaders- at Curry Rivel Church of England Primary School, we have many leadership roles for pupils including Sports Leaders, Digital Leaders, House Captains, Librarians and School Council. The children have been informed that they can apply to be 'Worship Leaders' and there have been application forms available in their classrooms. Deadline for applications is Monday 8th January.

Lates

We are aiming to reduce the number of pupils who arrive late.

Class	Number of lates last week	Number of lates this week (Short week)
Pippin	4	2
Maigold	2	1
Gala	3	2
Discovery	2	4
Camelot	5	3
Blenheim	4	3
TOTAL	20	15

Please remember that being late can lead to your child:

- Feeling embarrassed in front of their friends
- Missing the beginning of vital lessons making them fall behind
- Missing important instructions for the rest of the school day
- Learning bad habits which could affect their employability in the future

The impact of being just a little late can accumulate to a loss of learning time.

Minutes late per day during the school year	Equals days worth of teaching lost in a year
5 mins	3.4 days
10 mins	6.9 days
15 mins	10.3 days
20 mins	13.8 days
30 mins	20.7 days

Celebration

All the children were praised today for making such good choices this week; for smiling, for opening doors, for settling down to learning quickly, for their manners and their general positive attitude. All individual awards will begin again next week!
