John 10:10

Dear Parents and Carers

As you will see below, we are starting to be more active re environmental awareness in school. The children have voted and the school now has a committee to discuss what we can do and to promote awareness. The first meeting will be after half term which will give them all a chance to gather ideas ready to discuss and plan. As part of this thinking, in two weeks' time we will be making 'scarecrow figures' from recycled materials. It would be great if you could save items such as plastic milk bottles and tops, yogurt pots, foil, plastic tubes, etc for the children to use. As these figures are going to live outside, the items do need to be weatherproof. It would be great if they were also clean!

We are very grateful to the Church Council who have donated money to the school. This, along with the money raised by the PTFA, will go a long way towards refreshing the books that the children can use and bring in new titles to enjoy too.

We are hoping to have a painting party for parents/carers to jolly up the outside shelters in the back playground. Could you give some time on Tuesday 21st May in the afternoon? It would be great to have some adult helpers armed with wide paintbrushes and old clothes! Please let me know if you could be there.

Curry Rivel Primary Live may seem a way off still (28th June) but preparations have started! This year, we are looking forward to showing off all the talent in the school. If your child has a great voice, can perform a dance or a piece of music, or whatever their talent, please do encourage them to take part in this afternoon show. We will have a deadline of Monday 17th June for entries. Please let us know via email to the school email curryrivelprimary@educ.somerset.gov.uk or a written message if your child would like to take part. We need to know their name, their 'act' (eg the name of the music or dance), any props/backing tracks they will need, anything else that might be important such as others in their group or needing someone to tune their instrument. On that same afternoon, we will be having a tombola. If you have anything that you can donate towards this, do please let Mandy Horsey know or just bring it in! The other new part will be a Table Top Sale in the hall. This will be for anyone who wants to donate £10 for a table to sell things to all of our visitors. More information about this will follow in due course.

Finally, I would like to say how impressed I have been with the confidence and enthusiasm shown by the Year 6 children as they approach next week. So many of them have been doing extra research or practice at home – it is great to see their love of learning. We would like them to have a relaxing weekend with lots of sleep and hopefully enjoyment of the outdoors so that they are ready with a sparkle for the week ahead.

Mrs Frances Burns

Acting Head teacher

Please order any school meals for the week beginning 3 June by Thursday 16 May. Please hand in your orders to the school office.

Eco Warriors 2019

We are delighted to announce the results of our elections for Eco Warriors who will represent each class. Every child was given the opportunity to explain their ideas and why they thought that they would be a good person for the role. The children in each class then voted in a secret ballot for their preferred candidate. The committee will discuss ways of making our school more environmentally friendly such as saving energy, banishing litter, recycling. A big thank you to Ms Wilde who will be leading this group in their meetings and congratulations to our representatives!
