Personal Devices

We realise that mobile phones have become an important part of everyday life for many children and that they can be a method of keeping them safe and secure. However, we also recognise that they can prove to be a distraction in school and can be a means of bullying or intimidating others.

Therefore:

- Pupils are not permitted to have mobile phones or any other devices at school.
- If, in the rare event of a pupil bringing in a mobile phone for issues of personal safety, it must be handed into the school/nursery office immediately and collected at the end of the school. Parents must complete a mobile phone form beforehand to request permission- this is for Year 5 and 6 pupils only. (Please see the school office for the forms).

Online Safety

Children are accessing technology and the internet at a younger age than ever before. It's never too early to talk to your child about what they do online and who to tell if they come across anything online that makes them feel worried, scared or sad.

4-7 Year Olds

Jessie & Friends is a series of three animations that follow the adventures of Jessie, Tia and Mo as they begin to navigate the online world, watching videos, sharing pictures and playing games. There's also a storybook for each episode, to help you and your child keep the conversation going. Find out more here:

<https://www.ceopeducation.co.uk/parents/jessie-and-friends/>

8-11 Year olds

Play Like Share follows the adventures of Alfie, Ellie and Sam as they form a band and enter their school's Battle of the Bands contest, taking on the mean but 'cool' Popcorn Wizards as they go. The three friends learn that while the internet can help, they need to use it wisely and safely.

The aim of the films is to help children learn how to stay safe online. In particular, the films teach them to spot the early signs of manipulative, pressurising and threatening behaviour by people they might meet online, and develops their confidence to respond safely and get help.

Message for Pippin Families

Please can we ask that siblings/older children do not come back into Pippin playground and play after collection as some are coming back in playing on bikes and on the bridge. This makes it hard to see everyone go and is not safe. Thank you for your support.

Parents' Evenings- Not too late to book!

You are warmly invited to your child's parents' evening. We are pleased that these meetings will be 'face to face' and 'in person'. Parents' evenings will be held on **Monday 20th October** and **Thursday 23rd October**. The timing of the meeting is 10 minutes, and teachers will be providing you with some feedback on your child's start to the new school year and progress. The teacher will also answer any questions you may have and you will have a chance to look at your child's work. Please be aware that the length of the meeting will be rigidly adhered to and if, in the meantime or after the meeting, you wish to discuss any issues or concerns please remember that your child's class teacher will be pleased to make an appointment to see you to discuss the matters further.

If it is impossible for you to attend on one of these evenings, please see your child's class teacher to make an alternative arrangement. For some families, where parents are separated, we hope you can attend these meetings together – please contact the school office if an additional appointment is needed. During the parents' evening, the school's parent teacher association (PTA) will be providing refreshments and pre-loved uniform in the hall where you can also view your child's books. The PTA will also be selling books from the Book Fair. The school SENDCo, Mrs Monk, will be in attendance and we hope to have the Parish Council present. School Governors also hope to be there. Please contact the school office to book a slot.

The fair will also be open during both Parents' Evenings, giving everyone a chance to browse, buy, and support the school while encouraging our children's love of reading.

Mix It Up Day – 20th October (Change of date)

On the last day of term, we'll be holding a fun "Mix It Up Day"! Children can ditch their uniforms and wear their silliest, most mismatched outfits. Each "mix up" is 50p, so how many can you try? Odd socks, back-to-front tops, wild colours the more the merrier!

Lates

We are aiming to reduce the number of pupils who arrive late.

Class	Number of lates last week	Number of lates this week
Pippin	3	4
Maigold	2	1
Discovery	1	3
Camelot	3	2
Blenheim	3	1
TOTAL	12	11

Please remember that being late can lead to your child:

- Feeling embarrassed in front of their friends
- Missing the beginning of vital lessons making them fall behind
- Missing important instructions for the rest of the school day
- Learning bad habits which could affect their employability in the future
- The impact of being just a little late can accumulate to a loss of learning time.
- The wellbeing and progress of our pupils is our priority, and we know that absence from school is often a sign that additional support may be needed.

The impact of being just a little late can accumulate to a loss of learning time.

Minutes late per day during the school year	Equals days worth of teaching lost in a year
5 mins	3.4 days
10 mins	6.9 days
15 mins	10.3 days
20 mins	13.8 days
30 mins	20.7 days

Overall attendance this week (School target 96%): 96%
