

## **Our E - Safety Agreement**

### **We agree to:**

- use ICT help us learn
- keep passwords and account details private
- use and search for material which is suitable for school
- follow school rules when using ICT resources and the internet:

### **We know that we:**

- never reply to messages from unknown senders
- never give out personal information over the internet
- never use the internet to find offensive material
- tell an adult if we see something we think we shouldn't have
- are careful about the information we read on the internet because it might not be accurate
- ask an adult if we are unsure about opening a file
- turn off the screen and tell a teacher if any pictures or words make me feel uncomfortable

### **Our teachers must:**

- check search terms and use child friendly search engines
- show us how to stay safe on the internet using the internet safety resources
