Dear Parents and Carers,

Welcome back to the summer term, we hope you have had a lovely Easter break.

The children are already busy getting going with their new class topics. Phase One's topic this half term is 'Growing' and Phase Two's topic for the term is 'Under the Canopy' where the children will be learning about rainforests.

We are looking for parental volunteers to help with the Cycling Awareness Courses being held in May. The two day courses are 21 and 22 May then 23 or 24 May. If anybody can support us with these sessions, please let the office or Jill Slade know.

This term is always such a busy one and this year is no exception. We have lots of things to look forward to like sports days and the phase two play at the end of the term. We hope as many of you as possible will be able to come and share these events with us.

Staff Update

Mr Staddon is currently on a leave of absence due to personal circumstances and will be returning to the school in the near future.
