It has been busy week in school, filled with excited children sharing their learning with me; Camelot children have been telling me about 'abstract and collective nouns'; Discovery pupils have been learning about Humanism in RE; football skills have been developed in Gala and all classes have been writing some wonderful poetry. I have been so impressed with our Year 6 pupils who have been preparing for their SATs tests which take place next week- they have worked hard, are calm, determined and ready, so I know that each and every pupil will do their best- they will be helped by a daily 'SATs buster breakfast', which will be served by staff and governors.

'Love' and 'hope' are core values in our Church of England School, demonstrated by the children this week when we welcomed a new Ukrainian pupil. One of their classmates said, "Well, they have chosen the right school, as we will give them a warm welcome". Values in action.

### **Clubs and SchoolMoney**

We have had a meeting with Curry Rivel In Bloom this week, and we are pleased that they (and Mr Silver) will be supporting a Gardening Club on Mondays- please book a place through SchoolMoney.

On SchoolMoney, you will notice that it appears that you owe money for clubs which you have not booked- please be assured that as soon as the cut-off date is reached, this will be removed.

### **Queen's Platinum Jubilee**

We will be learning about and celebrating the Queen's Jubilee by:

- Jubilee theme in Collective Worship
- In-school competition based around the number 70 (Details to follow)
- Parish Council art competition
- Joint work between nursery and Pippin class
- PTA Jubilee Raffle

The Parish Council have invited our children to draw a picture of themselves wearing a crown to celebrate the Queen's Jubilee. They would like the School Councillors to pick one winner from each class. The 6 winning entries are to be in by 20 May. The winners will then have their drawing published in the Curry Rivel News.

### **Scarecrows**

Curry Rivel in Bloom are running open gardens on Sunday 19<sup>th</sup> June and as part of this, would love to display lifesize scarecrows in each garden. The children are invited to create a scarecrow and bring them into school on Thursday 16<sup>th</sup> June- every child who makes a scarecrow will receive a prize.

### **COVID**

As I'm sure you're aware, the regulations around isolation (in the result of a positive COVID test) have changed. It is now recommended that pupils isolate for 3 days, should they test positive. If they are exhibiting no symptoms, they can then return to school. If they are symptomatic and too unwell for school, they should stay at home until well enough.

PTA

**CURRY RIVEL SCHOOL PTA INVITES YOU TO..**

# DISCO
