Dear Parents and Carers

We have had another very busy and fulfilling week. Firstly, we are beginning to get the results in for the national assessments of phonics, Y2 checks and Y6 writing. It is down to the great learning by the children and the dedication and hard work of the teachers and assistants that all the overall results are up from previous years. When we have all the results in, we will let you know the overall scores.

The Eco Champions had a weigh-in of the crisp packets donated so far. Camelot class have won the first award for collecting 1,120g worth of crisp packets! Each class has its own decorated box for the collection and it is all part of trying to do our best to look after our environment. Send in any you have at home to add to your child's class box!

Well done to the two teams that took part in the football tournament this week and a big thank you to Mr Nicholson for organising them. We really encourage sports and it's great that so many children are taking part in our school activities. You will receive a leaflet about '10 minutes shake up' today from Change4Life and there are suggestions in this about keeping active over the summer.

This week the children have had dressing up clothes to play with at breaktimes. It is amazing how popular they have been with all ages, and especially the older children. If you do happen to have any dressing up clothes eg batman outfit, a cow onesie or a Cinderella outfit lurking at home and no longer wanted, the children would really appreciate having more.

Finally, Monday is the deadline for the Curry Rivel Live Primary event so if your child is hoping to perform, do make sure that they have entered. Either email or write in to the School Office with details ie name, act, title of piece, dance, etc and information about any backing track, equipment that might be needed.

## **Co-opted School Governor Vacancies**

### **Curry Rivel Primary School Board of Governors**

**is keen to co-opt two new School Governors to join its friendly but dedicated team.**

Our governors come from a range of different backgrounds, skills and experience but all share a common interest of wanting the best possible education for the children in our school.

**We would be delighted to hear from anyone who:**

- Is interested in children's education and the performance of the school
- Is community spirited and would like to represent the community
- Has spare time and the energy for the role
- Is able to work well as part of a team
- Has an enquiring mind and the confidence to ask questions and debate issues that affect the school
- Can consider matters objectively and make informed judgements

These volunteer positions are open to parents, guardians or other people from our community. Co-opted governors are not elected by a parent election but are instead appointed directly by the governing body.

**There are 3 key roles for the governing body:**

1. Ensure clarity of vision, ethos and strategic direction
2. Holding the Head Teacher to account for the educational performance of the school and its pupils and the effective and efficient performance management of staff
3. Overseeing the financial performance of the school and making sure its money is spent well

More information can be found on the gov.uk website: [DfE Governance Handbook 2019](#)

**What does the role offer?**

- A chance to develop your own personal skills
- Access to a programme of training in respect of education/governance matters
- A sense of achievement in helping make a difference to children reaching their potential
- The support and guidance from fellow governors

**For more information, and an informal discussion over the phone with the Chair of Governors** please contact the Clerk to Governing Body – Mrs Helen Davies either in via the School Office or via email [HDavies3@educ.somerset.gov.uk](mailto:HDavies3@educ.somerset.gov.uk)

Applications must be made in writing, including contact details and a short (500 word) resume detailing what you have to offer and why you should be considered for co-opting to the Board of Governors.

**All appointments will be subject to a full Disclosure & Barring Service (DBS) background check**
