Dear Parents and Carers,

Thank you to all of the parents, who joined us for our Easter Service on Thursday. Camelot did a fantastic job with their readings and a particular thank you to the staff that helped organise the church service behind the scenes. After the church service, Reception to year three paraded round the green with their Easter bonnets - they looked fantastic!

On Thursday, Camelot and Blenheim held their 'What makes us great?' topic work evening. On display was the work they have produced in class over the last term. Thank you to the parents for supporting this event and for your lovely feedback, the children have worked very hard and so it was a lovely opportunity to share their learning with you.

Last week, we held our spring term parents evening and we hope that you found the changes we made to the running of them to be positive ones.

We hope you have a lovely Easter break and look forward to welcoming you all back in the summer term, on Tuesday 10th April.

Ofsted Update

The meeting with our Local Leader in Education (LLE) to assess progress against our targets last week was very positive and he was pleased with the progress seen in Year six.

Little Pips / The Nest

Star of the week – Darcy Jones for her brilliant efforts at Circus Skills this week.

Phase 1 (Pippin, Maigold and Gala)

Pippin Class: Connie said how much she enjoyed making Easter baskets with chocolate.

Maigold Class: Amy Cattle enjoyed making 2D and 3D decorations for the class Easter Tree.

Gala Class: Amy Benton loved finding clues around the school for the Maths Easter Egg hunt.

Phase 2 (Camelot and Blenheim)

This week in Blenheim we have been building motorised cars in small groups of three. We have been using saws to cut wood, glue guns to stick bits together and scissors to cut straws.

In maths we have been learning about fractions and decimal. Also, in English we have been learning about hyphens.

On Thursday, parents came in, from 3:30-5:30, to look at the work we have done this term. It went really well.
