Dear Parents,

We've had another really busy week in preparation for Christmas which I'm sure will spill over into next week. We're really looking for the Nativity performances and Christmas lunch which will really get everyone in the festive spirit!

Thanks to the PTA for coming in this week and doing the Christmas decorations, the children have loved doing these.

Well done to the Year 5 and 6 children who did amazingly well singing at the CLP Advent service yesterday with 7 other local schools. They represented our school so well and the staff were extremely proud of them.

For parents of Reception to Year 5 children

Somerset SAINT (school aged immunisation nursing team) will be visiting our school on Wednesday 12 December to administer the nasal spray flu vaccination. If you have given permission for your child to have the vaccination please could you inform the school if any of the below apply to your child:

- if your child is wheezy on the day of vaccination, or has been wheezy in the three days prior to this date
- is asthmatic and has had to increase his or her asthma medication since you returned the consent form
- if there are any other changes in your child's health since you returned the consent form
- if your child has already received the flu vaccine via their GP recently, it is **really important** that you inform the school otherwise your child may be immunised again because Somerset SAINT may still hold a consent form for them. Many Thanks.

Thank you to all who made a donation for Poppy Appeal.

The Royal British Legion have advised us that we raised £50.56.

School Lunch orders for the first week of January to be handed in to the School Office by Friday 14th December please.
