He came so that we may have life and have it to the full **John 10:10**

Dear all

Since Parent Forum we have implemented some changes that we hope you have found useful. People have been complimentary about the newsletter which will now be delivered digitally.

Parents evening has a later running time, held in the hall so everyone knows where it is and a person on the door to let you in and help if needed.

Mrs Slade has been working hard on a new phone system and parent payment system. We are ready to start a trial for some of our Summer term school trips and aim to have it fully functioning by September.

The phone system will follow soon after. We will increase the amount of lines to the school and add the addition of automated/recorded options. This should make it easier to phone in and phone out of the school.

Ofsted Update

This week I have attended Governors finance meeting where our Ofsted plans were scrutinised and the new budget agreed, ready for full governors this week. I also met with our Local Leader in Education (LLE) to assess progress against our targets.

Class Cup winners

In Pippin: "**Holly Trott** for working so hard on her drawing and writing about an interesting home she would like to live in."

In Maigold: "**Oliver Trott** for writing a fantastic story about the Three Little Pigs using interesting words."

In Gala: "**Alfie Jones** for making a good start to the story of Three Little Pigs"

In Camelot: "**Angel Moseley** for super effort and perseverance with fractions this week

In Blenheim: "**Joshua Brown** for his hardworking approach in his maths papers."

Merit Chart winners

Well done to: **Ryley Barrett, Tyler Gage, Jacob Peters, Isabelle Macey, Isla Uniake, Oscar Rycroft, Amy Patterson, James Myhill, Sienna Evans, Cohen Kelly, Nyassa Rickards-Tilley.** Great job everyone!

Sports News: This week the Netball team **Dakota Rickards-Tilley, Georgia Elwin, Emma Allington, Chloe Cattle, Truly Heseltine, Jasmine Bailey and Josh Brown** did a great job at Westfield Academy. The organiser sent this:

"Thought your children did a great job, especially as they were the only small school competing against the large schools, and with the cold (it was freezing). I really value seeing children battling through adversity, it's always easy to play when your winning, less so when things aren't going your way, they punched above their weight and did you proud, well done to them from me."

Outdoor/Forest school award

Zac Powell- for never giving up when trying to light a fire.

Little Pips / The Nest

Star of the week – **Noah Baber** " for being kind, thoughtful and always sharing "

Phase 1 (Pippin, Maigold and Gala)

William Rycroft from Pippin Class has enjoyed. "...learning about the days of the week."

Maigold Class:"we really enjoyed building a den, describing how we did it, what materials we used and whether it worked."

Gala Class have enjoyed constructing houses of midget gems and toothpicks.

Phase 2 (Camelot and Blenheim)

This week we have been writing our explanation text about the London Underground. Also we have been learning about fractions. The fractions that we have been learning are unit, non-unit and equivalent fractions. We found out lots about scientists, inventors and explorers. Some of these were Mary Anning, Christopher Columbus and Stephen Hawking. This week has been very fun and we have learnt about lot of things.

Written by Hollie, Sophie E and Lilia

Enjoy your weekend.

Mr Staddon
