Thursday 5th November
Camelot's Sharing Morning

Monday 9th November
Road Safety workshops and assembly for everyone

Thursday 12th November
Residential meeting for Y4 parents
3.30pm in Discovery's room

Parking

Please can I remind you all again about careful and considerate parking around our school.
The start and end of the day are both of course very busy, but we are surrounded by local residents who need constant access to driveways.
Please be mindful and respect our village.

Poppies

Our House Captains will be selling a range of poppies after half term.
Prices are up to £2.
Please send your child in with the exact money.

Nursery spotlight

This week we have been decorating pumpkins on a large-scale using dabber paints. We have also been promoting our gross motor skills whilst exploring the physical activities within the hall.
The babies have enjoyed cutting up pumpkins and exploring the pips and textures inside.

School Walkaround

This week has seen our first sharing morning with Discovery class and cycling for our Years 5 and 6s provided by Pedal by the Parrett. Clubs have started around school, including the singing of Christmas songs in The Mistletones and crowns being made in Art and Craft Club.
