Parents' Evening

Thank you to everyone who attended the first of our school Parents' Evenings this week.
It was lovely to see so many of you looking at books with your child, watching you make the tricky decision on your potion voting, and of course talking to your child's teacher.
Thank you to our PTA for providing refreshments.

Book Fair

Please do come and visit our school book fair running next week.

Nursery spotlight

We have been exploring autumn by investigating pumpkins with a variety of different tools and exploring the seeds.
We have been creating large scale autumn cling film painting and have enjoyed exploring the autumnal treasures that you have found on your walks at home. Thank you for sharing.

School Walkaround

This week our Key Stage 2 children had workshops provided by Wessex Water and Discovery Class had a session with our Mental Health Team around resilience and emotions.
Katie and I had the pleasure of showing visitors around our Nursery where they were delighted with the provision, the happy, settled children and the proactive and hardworking staff.

Thank you everyone!
